

YOU AND IREA

Together, we can help make a difference for struggling families in Colorado!

In 2005, the Colorado General Assembly enacted the Low-Income Energy Assistance Act. This bill established a nonprofit assistance program called "Energy Outreach Colorado" in which all Colorado utilities participate. Though this very worthy program, IREA matches our consumer-member's donations up to \$75,000 a year to help income-limited people pay their energy bills.

Who's helped? Seniors on fixed incomes – individuals with disabilities – families hurt by the loss of jobs – and many more. Last year, hundreds of IREA consumer-members – some possibly your neighbors and friends – were assisted by gracious community donors just like you and IREA.

Together we generate the power to help.

How can you help? Fill out the form below and tell us if you'd like to give a monthly or one-time gift. If you opt to give monthly, IREA will add a separate line item on your monthly billing statement and that gift will continue until you notify IREA, in writing, that you not longer wish to contribute to the program.

Imagine. With IREA's help, every penny you give becomes two! And while just a few pennies – a few dollars – may not seem a lot to you, your gracious donation will mean warm homes and happy families for the poor and hurting in our community.

Please give as much as you can to help our neighbors in need today!

Yes, I'd like to help IREA help struggling families in Colorado!

Name: _____ IREA Account # _____

Mailing Address: _____

City _____ State _____ ZIP _____

One-Time Only Contribution: \$ _____

Monthly Voluntary Contribution: \$5 \$10 \$20 Other \$ _____

I agree this amount will be added to my monthly statement and reflected as a separate line item.
